RESPONSE TO RESTRICTION REQUIREMENT

Sir:

This is in response to the Office Action mailed on September 24, 2002, the period of response to which is set to expire on October 24, 2002.

REMARKS

The above amendments to the above-captioned application along with the following remarks are being submitted as a full and complete response to the Office Action dated September 24, 2002. In view of the following remarks, the Examiner is respectfully requested to proceed with examination of the application on the merits, to indicate the allowability of the claims, and to pass this case to issue.

Restriction Requirement

In response to the Examiner's restriction requirement set forth in the above-mentioned Office Action, Applicants hereby elect the continued prosecution of the invention identified as Invention II, set forth in claims 3-10 and 15-23, drawn to a DNA analyzing system, without traverse. Applicants understand that the non-elected inventions I and III, drawn to a DNA base sequencing method using luciferase, and drawn to a DNA base sequencing system, respectively, and their corresponding claims 1-2, 11-14, and 24-26 are hereby withdrawn from further consideration in this pending application. Applicants hereby reserve the right to file divisional applications on such non-elected inventions.
